### SAVE TIME & MONEY

Automated student billing, fee assessment and payment allocation increase Institute revenue while taking less of your time.  
**GET A FREE ONLINE DEMO**

### AUTOMATED FEE RECEIPTS

We generate automated fee receipts for each payment made. These fee receipts come with an Institute logo and fee receipt number. These fee receipts can be printed by Institute admin and given to parents or parents can also download it from our Institute app or Institute management software.

### FEE CONCESSIONS AND FINE

Unlike other student management software, we allow you to give concessions and fines for students. These are very important part of any fee management software but very few are there in the market who provide these features

### ADVANTAGES TO INSTITUTIONS

- Save on administrative cost
- Secured Gateway (https)
- 24 X 7 Payment Service
- Institution wise 'Fee Head' Setup
- No Paper Formalities
- MIS Reports with customization for Educational Institutions
- Direct credit of fee collected to your bank account
- Any time outstanding fee details Can be Sent to Parents By SMS
- Payment Can be made from Office Desktop through Cash
