VISION INFOTECH

ENHANCE YOUR SCHOOL'S /COLLEGE EFFICIENCY WITH SMART CAMPUS MANAGEMENT 🤝

Dear sir,

We are excited to introduce you to **Smart Campus Management** by **E Vision Infotech**, a comprehensive school management solution designed to streamline your school's / College operations. Our ERP system is tailored to meet the unique needs of educational institutions, providing an all-in-one platform to manage various aspects of school administration.

⭐ **Key Features:**

Responsive User Interface: Intuitive and easy to navigate, ensuring a smooth user experience for all staff members.

Multiuser Account System: Secure access for different roles, including super admin, admin, teachers, and students.

Student Fees Management: Effortlessly track and manage student fees, including discounts and payment records.

Class Routine Scheduling: Streamline the creation and management of class timetables, including teacher lesson planning.

Staff Management: Payroll administration, attendance tracking, leave management, teacher evaluations, and additional functions.

Parent Monitoring Tools: Enable parents to stay updated on their child's academic performance and school activities.

Transport & Hostel Management: Efficiently manage student transport routes and hostel accommodations.

Comprehensive Exam Management: From scheduling exams and conducting online assessments to generating detailed marksheets, manage all aspects of student evaluations.

VISION INFOTECH

ENHANCE YOUR SCHOOL'S /COLLEGE EFFICIENCY WITH SMART CAMPUS MANAGEMENT

⭐ **Key Features:**

Multi-Branch Management: Super admins can oversee multiple branches, consolidating data and generating integrated reports.

Advanced Communication: Keep parents and students informed and engaged through SMS, **WhatsApp**, email, and a dedicated app. This multi-channel approach ensures that important updates and information are always accessible.

STL Biometric Integration: Our software is integrated with STL Biometric, allowing for WhatsApp and SMS notifications of attendance, including the exact times when someone is present or absent. This feature enhances parental security by keeping them informed about their child's whereabouts in real-time.

Online and Offline Payments: Facilitate convenient payment methods for fees and other charges.

Exceptional Support & Resources: We provide comprehensive documentation, video resources, and quality support to ensure your school makes the most of our ERP.

VISION INFOTECH

Pricing Proposal:

- Our pricing is thoughtfully designed to be both affordable and tailored to the unique needs of your institution. We offer flexible, per-student and per-staff member rates on an annual basis. With our

Finance Plan, Standard Plan, Premium Plan and Enterprise Plan

Modules, you can choose the level of features that best suits your requirements, ensuring you receive exceptional value for your investment. This structure allows you to manage costs effectively while taking full advantage of the comprehensive capabilities our software provides.

Why Choose Smart Campus Management?

Our ERP solution not only enhances administrative efficiency but also improves communication between all stakeholders in the educational process. With features like multi-language support, detailed financial management, real-time updates, advanced communication tools, and STL Biometric integration, Smart Campus Management is your partner in driving your school's success.

Would you be interested in scheduling a demo to see how Smart Campus Management can transform your school's operations? I'd be happy to set up a time that works for you.

Looking forward to hearing from you!

Best regards,   Raghu Kulkarni
